The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U. S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Mobile Emergency Ops Center in fiscal year 2025. The entity to receive funding for this project is the Figgers Foundation located at 14508 Lincoln Boulevard Suite: 212, Miami, Florida 33176.

The funding would be used to facilitate efficient communication, data access, and coordination among emergency responders and stakeholders in disaster-stricken areas. The project is an appropriate use of taxpayer funds because it provides critical support during natural disasters and emergencies.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Byron Donalds
Member of Congress
