The Honorable Henry Cueller  
Ranking Member  
Committee on Appropriations  
Subcommittee on Homeland Security  
U. S. House of Representatives  
Washington, DC 20515

Dear Chairman Amodei and Ranking Member Cueller:

I am requesting funding for two additional Emergency Management Mobile Response Units in Fiscal year 2025. The entity to receive funding for this project is Lee County, located at 2201 2<sup>nd</sup> St. Fort Myers, FL 33901. The funding would be used to replace the existing antiquated unit with two new units. The SWFL community often gets impacted by natural disasters, and having these new mobile response units would greatly improve public safety and disaster response within my district.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Byron Donalds  
Member of Congress
