## **Donalds Statement On President Biden's Flagrant Violation Of The House Democrats' Impeachment Standard**

**WASHINGTON** – Today, Congressman Byron Donalds (R-FL) released the following statement regarding President Joe Biden's flagrant violation of the House Democrats' impeachment standard:

“On December 18, 2019, House Democrats impeached President Trump and set a new political precedent for our nation. Joe Biden has flagrantly violated this new precedent and is withholding congressionally approved aid to our ally Israel because he cannot afford to lose the votes of swing state radicals. By the Democrats’ own standard, Joe Biden deserves to be impeached.”
