Dear Chairman Simpson and Ranking Member Pingree:

I am requesting funding for the Cape Coral Northeast Reservoir Water Transmission and Regional Water Supply Project in Fiscal year 2025. The entity to receive funding for this project is the City of Cape Coral, located at 1015 Cultural Park Blvd, Cape Coral, FL 33990. The funding would be used to increase the amount of water provided to the Cape Coral community. The project is an appropriate use of taxpayer funds because this increase water capacity will benefit my constituents in many ways, including fire suppression and lawn irrigation, etc.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Byron Donalds
Member of Congress
