Dear Chairman Simpson and Ranking Member Pingree:

I am requesting funding for the City of Fort Myers Deep Injection Well Site in Fiscal year 2025. The entity to receive funding for this project is the City of Fort Myers, located at 2200 2<sup>nd</sup> St. Fort Myers, FL 33901. The funding would be used to construct a deep injection well to ensure more high-quality potable water is available and accessible for my constituents. The project is an appropriate use of taxpayer funds because water storage is vitally important to my district and is crucial to protecting the vitality of SWFL coastal waterways.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Byron Donalds  
Member of Congress
