ICYMI: Donalds Joins Daybreak On 92.5 FM WFSX

WASHINGTON – Congressman Byron Donalds (R-FL) joined *Daybreak* on 92.5 FM WFSX Fox News Radio–Estero to discuss the need to end the Senate filibuster, pass the SAVE Act, the House Oversight Committee's continued investigation into fraud, and his prediction for Super Bowl LX.

Watch the full interview [here](#) or below:

"They [Democrats] don't care about fair and honest elections. They don't care about securing the ballot. They only care about winning elections and institutionalizing their agenda":

"Because they [Democrats] don't care about fair and honest elections. They don't care about securing the ballot. They only care about winning elections and institutionalizing their agenda... They are true radicals and, in my view, you can't negotiate with crazy. You can't negotiate with radicals. So, Senate Republicans, it's time for them to step up and do what needs to be done and get rid of this 60-vote filibuster cloture vote and go to a talking filibuster."

"I got the Seahawks. That defense is good, man":

"I got the Seahawks. That defense is good, man. They are really good. So, you know, we'll see. I mean, look, the Patriots team, they look good. And you know, Vrabel, you know, he's one of those guys where you could tell he has that team motivated and locked in at all times. But I just think top to bottom, the Seahawks are a better team."
