ICYMI: Donalds Joins The Evening Edit

WASHINGTON – Last night, Congressman Byron Donalds (R-FL) joined *The Evening Edit* on Fox Business Network to discuss Stephen Colbert's recent claims of censorship.

Watch the full interview [here](#) or below:

"He's got nobody to blame but himself":

"Yeah, everybody knows the rules. This is Stephen Colbert trying to put his thumb on the scale for his preferred candidate. And because of the timetable between now and the Texas primaries, he can't do it. So, he's got nobody to blame but himself, and once again, his credibility is shot... You gotta follow the law. He has a responsibility to do that. To try to blame the Trump administration, thinking you're going to get away with it, I mean, that's just ridiculous, but this is the mindset of Democrats today. If things aren't going your way, try to blame Donald Trump, and hopefully, everybody tries to give you a pass. But he got caught."
