ICYMI: Donalds Joins The Joe Pags Show

WASHINGTON – Congressman Byron Donalds (R-FL) joined *The Joe Pags Show* to discuss the false narratives pushed forth by Democrats, President Trump's effective immigration policy and his bill, [H.R. 5177 – "The Weigh Station Enforcement to Intercept and Guard Highways \(WEIGH\) Act"](#).

"If there is an illegal alien who doesn't know English driving an 80,000 pound trailer, that brings serious harm to Americans on these roadways":

"New York and California are giving CDL licenses to illegals. It's not about Republicans vs. Democrats. It doesn't matter what your party, race, or gender is. If there is an illegal alien who doesn't know English driving an 80,000 pound trailer, that brings serious harm to Americans on these roadways."

"In a lot of respects, the Democrats want to change the political fabric of our nation":

"In a lot of respects, the Democrats want to change the political fabric of our nation, and they know immigrants who come here illegally, and Americans reject their policies time and time again, so they try to find new voters, and that's why they believe in wide-open immigration."

"We're not going to take the phony outrage from the radical left as gospel or truth":

"We are going to continue with the process of sending criminal illegal aliens home. That's what the President ran on. That's why he won. We're not going to take the phony outrage from the radical left as gospel or truth. It's not, it's actually the complete opposite. They're lying to the American people."
