ICYMI: Donalds Joins Fox Across America With Jimmy Failla

WASHINGTON – Congressman Byron Donalds (R-FL) joined *Fox Across America With Jimmy Failla* on Fox News Radio to discuss the Super Bowl, the Senate's failed amnesty bill, and recent Supreme Court arguments over usage of the 14th Amendment against President Trump.

Watch the full interview [here](#).

I think that the court's going to do the right thing:

“I mean, that's Democrat politics today. It's not happening, nobody's brought the case that it's happening, but they call it so, and then they want everybody to act on their terms. That's the Democrats through and through. So I think that the court's going to do the right thing. They're going to say this is foolishness and they're going to basically tell Colorado you cannot do this because if you are going to use the 14th Amendment, you actually have to charge somebody with insurrection and that's not happened.”
