ICYMI: Donalds Joins ABC Gainesville's Morning Edition

OCALA, Fla. – Congressman Byron Donalds (R-FL) joined *Morning Edition* on ABC Gainesville–TV20 News WCJB to discuss the City of Gainesville's upcoming audit, explosive comments made by an Alachua County School Board member regarding the death of Hulk Hogan, and the continued search for the next president of the University of Florida.

Watch the full interview [here](#) or below:

"It is very sad to see":

"So to talk about somebody, after they died, I just find it very distasteful. It is very sad to see. You can have disagreements with people, that's human nature, but we should honor the dead. I think for Hulk Hogan and for his family, really my prayers go out to his family."

Donalds calls for transparency:

"Really, I just think transparency from the search committee - I think that would really be helpful. Just knowing, having all the materials available, really to the public, that the trustees get a chance to see."
