## ICYMI: Donalds Joins Daybreak On 92.5 FM WFSX

WASHINGTON – Congressman Byron Donalds (R-FL) joined *Daybreak* on 92.5 FM WFSX Fox News Radio–Estero to discuss the fallout following the House Oversight and Government Reform Committee's closed-door deposition of former First Lady Jill Biden's longtime Chief of Staff and "Work Husband" Anthony Bernal.

Watch the full interview [here](#) or below:

**"We've never seen anything like this. In my view, this is bigger than Watergate":**

"We've never seen anything like this. In my view, this is bigger than Watergate. I know the Democrats love to still sensationalize over Watergate but this is way bigger than that because you had aides in the White House essentially running the country... We're gonna continue to investigate it because at a minimum, what it demonstrates is that the Democrats were so power hungry that they were literally fine with having somebody with no capabilities mentally to discharge the duties of that office, stay in that office, so they can simply, so they can get their political ends achieved through Joe Biden."

**"As far as I'm concerned, everybody's gotta come in":**

"I'm in the camp of subpoena Jill Biden. I say subpoena Jill, subpoena Kamala, subpoena both chiefs of staff - there were two chiefs of staff in the Biden White House. Subpoena both of them. I would subpoena every aide that was in that White House, every intern that was in that White House, every staffer that was in that White House. As far as I'm concerned, everybody's gotta come in."
