ICYMI: Donalds Joins *On Balance with Leland Vittert*

WASHINGTON – Congressman Byron Donalds (R-FL) joined *On Balance with Leland Vittert* on NewsNation to discuss the potential for negotiations with the Iranian regime and POTUS seeking peace in the Middle East.

Watch the full interview [here](#) or below:

The President seeks peace:

"The first thing I will tell you is - give the President room to operate. He has actually done a tremendous job throughout this entire conflict. I think there was an opportunity where he was trying to see is there a way to have peace. Now I think people need to understand is that what Donald Trump wants more than anything is to have peace."

The pathway to peace:

"We just obliterated their nuclear sites so at that point, if the Iranians are trying to sue for peace, I think the prudent thing to do is to hear them out. But it is also prudent not to just take any deal that is on the table. Knowing President Trump, he's just not gonna take any deal that's on the table."
