## Illegal Alien With California Driver's License Kills Three Americans In St. Lucie County: Donalds Demands Justice

WASHINGTON – Days ago in St. Lucie County, an illegal alien [killed](#) three Americans near mile marker 171 on the Florida Turnpike.

Twenty-eight year old Indian national, Harjinder Singh obtained a commercial driver's license from the State of California despite illegally entering and residing in the United States. Last week, he attempted an illegal U-turn on the Florida Turnpike, resulting in his trailer jackknifing and colliding with a minivan — leaving all three of the minivan's passengers dead. Singh has formally been charged with three counts of vehicular homicide, and faces deportation. **Congressman Byron Donalds (R-FL)** released the following statement:

"Three innocent people were killed in St. Lucie County because the State of California wrongly issued a driver's license to an illegal alien. He should not have been here. He should not have received a license. This never should have happened. We pray for the victims and their families. Justice must be served."
