Dear Chairman Womack and Ranking Member Quigley:

As you begin crafting the Fiscal Year 2025 Transportation, Housing and Urban Development, and Related Agencies appropriations bill, I respectfully request that you give consideration to the following funding priorities:

1. Provide a funding level of \$1,500,000 for the Leitner Creek Neighborhood Soccer Complex Project as a community project funding request. The intended recipient is the City of Bonita Springs located at 9101 Bonita Beach Road, Bonita Springs, FL 34135. This project would be a valuable use of taxpayer funds because funding for the Leitner Creek Neighborhood Soccer Complex will enable the City to construct a new soccer complex that will incorporate 1 adult and 3 youth soccer fields with irrigation and LED lighting. To support the complex the city will also install a new parking lot, a concession building, restroom facilities, maintenance storage facility, sewer and electric utility connections and landscaping enhancements. The benefit of the new facility is that it is in a walkable location for low to moderate income neighborhoods, allows for safe use by adults/youth leagues after dark and provides a family-oriented facility.

Thank you for your consideration of these requests.

Sincerely,

Byron Donalds
Member of Congress
