Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Sanibel East Periwinkle Way Bridge Replacement in fiscal year 2024. The entity to receive funding for this project is the City of Sanibel, located at 800 Dunlop Rd, Sanibel, FL 33957. This project is an appropriate use of taxpayer funds because this bridge is the primary arterial that serves the eastern section of Sanibel Island. It is also the primary evacuation route for residents who live in the eastern section of the island and is a primary road utilized by first responders.

The project has a Federal nexus because the funding provided is for purposes authorized by 42USC 5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

---
