Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the stormwater and utilities improvement in fiscal year 2025. The entity to receive funding for this project is the Town of Fort Myers, located at 2525 Estero Blvd. Fort Myers Beach, FL, 33931. The funding would be used for post Hurricane Ian hardening of their stormwater and utilities infrastructure. The project is an appropriate use of taxpayer funds because it would ensure that in the event of another disaster, the infrastructure would withstand critical damage, therefore not creating extra recovery costs that would fall on taxpayers.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Byron Donalds  
Member of Congress
