Donalds Condemns The Iranian Regime's Ballistic Missile Attack On The State Of Israel

NAPLES, Fla. – Today, Congressman Donalds issued the following statement condemning the Iranian regime's ballistic missile attack on the State of Israel:

"Just four years ago, the regime of Iran and its terrorist apparatus were broke and incapacitated due to a coordinated campaign of Trump 'Maximum Pressure.' Over the past four years, Biden-Harris appeasement has emboldened our adversaries and terrorists across the globe. Appeasement does not work; appeasement has never worked; and appeasement must end. Today, the terrorist regime of Iran targeted 10 million innocent Israeli civilians with nearly 200 ballistic missiles. This brazen escalation is unacceptable. Israel should do everything in its power to ensure national security and I stand with Israel in this mission."
