### ICYMI: Donalds Joins Daybreak With Drew Steele

WASHINGTON – Yesterday, Congressman Byron Donalds (R-FL) joined *Daybreak With Drew Steele* on 9.25 Fox News Radio in Fort Myers, to discuss updates in the investigation into Biden family corruption, the deposition of Hunter Biden, and the vote to formalize the impeachment inquiry into President Joe Biden.

Watch the full interview [here](#).

#### He's been accustomed to basically doing what he wants:

“[Hunter Biden's] been accustomed to basically doing what he wants. I mean, the man has gotten away with tax evasion. The worst years, he's not being charged with because the Department of Justice, very, very quietly wanted to sweep it under the rug. DOJ can say whatever they want, but those kind of charges do not get swept under the rug, because if there's one thing the federal government is going to prosecute, it's you, if you don't give them the money they believe they're entitled to.”

#### We are going to do everything we can do to depose him:

“I think overall, what you saw from [Hunter Biden] yesterday was, the arrogance, the defiance, but also the fact of a person who's been protected for so long, he legitimately feels that any questions about him is impugning him. Impugning his character, his integrity, whatever the case might be. But the issue is, in the House we are going to do everything we can do to depose him and go from there.”
